

# Martin Portable Drop

The Martin Portable Drop provides Chiropractors with the ultimate in flexibility and freedom.

A truly mobile treatment tool that enables practitioners to make adjustments where and when they are required.

Solid enough to add treatment capacity to your practice, small enough take on house calls and light enough to pack in your carry on luggage.

- Compact design
- Robust construction
- New "**RAPID T**" drop mechanism for crisper adjustments
- Suitable for adjusting lumbar, pelvic and extremities
